# CENTRAL COUNCIL OF INDIAN MEDICINE

## Annual Report/Audited Accounts for the Year 1980-81

The Council considered the question of enforcing minimum standards pertaining to Department, Staffing Pottern, Hospital facilities, Equipments etc. In the Under-graduate colleges of Indian Medicine and urged the Central Government to sanction the same. The Central Government sent directives to all State/UTS for curbing the unhealthy growth of mushroom colleges of Indian Medicine. These directives were further stressed by the Central Council for implementation. Each State was asked by the Central Council to formulate a scheme to assist the existing colleges of Indian Medicine in order to bring them upto the minimum proposed standards. The Council requested the universities and State Government to implement the minimum standards of Post-graduate education in Indian medicine prescribed by it.

The Central Council urged the Central Government to take strong legal measures against persons imparting education in Indian medicine without obtaining recognition from the Central Council.

A high level deputation from the Central Council led by the Acting President Kaviraj A. Majumdar, met the Union Health Secretary on 9-1-81 and discussed the following items:--

1. Constitution of duly elected body of the Central Council of Indian Medicine.

2. Inclusion of the qualifications of Indian Medicine.
3. Convening of the workshops on under-graduate education in Indian Systems of Medicine.
4. To check mushroom growth of colleges of ISM and medical practice by unregistered/unqualified practitioners of Ayurveda, Unani & Siddha systems of Medicine, through advertisement.
5. Re-imbusement of medical bills and amendingnt of the C.S. (M.A.) Rules.
6. Acceptance of certificates of ISM graduate by all Government and Semi-Government Bodies.

The Central Council prepared two lists of qualifications of Indian Medicine. One list contained the qualifications of Indian Medicine whose courses are supplemented with modern Medicine and the other list contained those qualifications of Indian Medicine whose courses have adequate provision of training in Surgery.

The Council issued advertisement in newspapers to warn the general public against being misled by fake institutions claiming to impart training in Indian Systems of Medicine which are neither affiliated to Universities nor Statutory Boards of States/UTS.

The Central Council of Indian Medicine elected its president. Kaviraj A. Majumdar was elected to the office of president of the Central Council on 13th March, 1931. The office of the president

had fallen vacant as a result of the demise of pandit Shiv sharma, the ex-president. Vaidya Shri Ram shrama was elected to the office of the Vice-president (Ayurveda) which had fallen vacant due to the election of Kaviraj A. Mejumdar as president of the Council.
