Dear Sir/Madam,

### Greetings from NCISM

As part of post-graduation educational reforms, NCISM has restructured the PG program of Unani with effect from the 2024-25 academic session. The Syllabus and Curriculum for the Postgraduate program have been reformed to the Competency Based Dynamic Curriculum (CBDC). Accordingly, the Curriculum and Syllabus for Research Methodology and Biostatistics have been rolled out and circulated for implementation from the academic session 2024-25 onwards.

NCISM organized an online Orientation program regarding 'Understanding the New PG Program Structure and Implementation of CBDC for Research Methodology and Biostatistics on 29<sup>th</sup> November and 2<sup>nd</sup> December 2024, respectively.

NCISM would also like to ensure the continuity of the orientation program, enabling anyone to undergo it at any time, thereby allowing for effective implementation of the same. To maintain the continuity of the program, NCISM has adopted the following methods:

1. Orientation through Pre-recorded Videos
2. Orientation through Resource Persons

#### 1. Orientation through Pre-recorded Videos:

Pre-recorded videos on 'Understanding the New PG Program Structure, Credit Framework, and Implementation of Competency- Based Dynamic Curriculum (CBDC) for Research Methodology and Biostatistics' are uploaded in the NCISM - You Tube channel and the link/QR Code of the videos are mentioned in the Annexure 1.

All the Head of Institutions of Post Graduate Institutions are requested to disseminate the link/QR code to all the concerned and also to display the QR code in each PG department so that faculty members can easily view the videos.
